Program Rules and Eligibility Requirements (effective March 1, 2008 – December 31, 2008)

- Referrals can be submitted by the new traveler while applying online by completing the referral area on our online application, or by calling your recruiter at 866-661-7070 and identifying you as their referrer. You may also submit referrals directly to your recruiter—just have all of the required contact information ready when you call.
- To be eligible for the referral bonus, the referred candidate must be a new contact for Bridge Staffing (i.e. not currently in the Bridge Staffing database). Bridge Staffing, Inc. corporate employees are not eligible for the Referral Rewards program.
- If you are a current traveler with Bridge Staffing, make sure we have your correct contact information in our records so we can reward you for your referrals. If you are not a current traveler, make sure you or your referral submits your complete contact information so we know how to reach you.
- To qualify for the referral bonus, the name and contact information for both you and your referral must be included on the application or referral form.
- You will earn \$1,000 for each healthcare professional you refer to us that completes a full 13-weeks assignment with Bridge Staffing (a full assignment requires that the referral work a minimum of 468 hours based on 36 hour workweek or 520 hours for a 40 work week, and meet all contract requirements).
- To be eligible for the \$1,000 referral bonus candidate must be referred and start between March 1, 2008 – December 31, 2008.
- Referred travelers must start an assignment within one year of the application date associated with that referral. If your referral takes an assignment but does not complete all 13 weeks within that year, they will have up to one year to come back and make up the remaining weeks, in order for you to receive your referral bonus.
- In a case of “reciprocal referring” (two new candidates applying and referring each other), only one referral bonus will be paid, to be split between the travelers.
